

Six-Year Report and Review

Information requested for the six-year review:

1. Overview and Executive Summary (a brief description and main research focus of the ORU to include date of inception, mission, history, and describe any changes that have occurred since the original scope of the ORU).
2. Description of how the ORU aligns with the mission of the UTSA.
3. Description of the ORUs strengths, weakness, opportunities and threats.
4. Description of the organizational structure (or provide organizational chart).
5. Number of faculty members involved in ORUs research or administration (attach list if applicable).
6. Types and number of students or scientist involved from external academic organizations.
7. Staff FTE: professional, technical, and administrative.
8. Description of advisory committee, external partners and campus partners.
9. Description of resource challenges.
10. Description and amount of space currently occupied, space challenges, and plans for expansion or move to a new location.
11. Overview of the progress and quality of the research accomplished and in-progress, and highlight of major achievements.
12. Overview of how your research has been transformational to your field and discipline and in a critical area at the UTSA.
13. Description of how the ORU has contributed to fostering collaborative research at the UTSA.
14. List of conference papers by faculty and students (include publications in progress).
15. Technology transfer information such as patents, licensing and/or IP disclosures.
16. Evidence of public service and outreach.
17. Description of how the ORU has contributed to fostering collaborative education at the UTSA.
18. Description of how the ORU has elevated the educational programs under its purview.
19. List the total number of undergraduate, graduate and postdoctoral students directly contributing to and/or benefiting from the ORU.
20. Description of how your ORU integrates research and education (facilitates classroom instruction, graduate research training and/or community outreach) and contributes to undergraduate and graduate education.
21. List of doctoral dissertations (past or in-progress) that benefited from ORU resources. List the name of each postdoc, the title of the dissertation, and the name of their mentor).
22. Provide a table of awards and expenditure totals by year (including types of award).
23. Provide budget projections for the next six years.
24. The ORU's goals for the next six years.
25. Self-evaluation of the director's strengths and weakness.
