

Elevate Your Pitch!

FACULTY WORKSHOP

Whether it's a conference, a fundraiser or a meeting with a program manager, your opportunity to make an impression may be just around the corner. Join your fellow faculty members for a 3-hour, interactive workshop to develop your speaking points as it relates to your research and teaching, and perfect your pitch, no matter who your audience is.

- » Explore fundamentals of developing your message for any audience
- » Learn how to introduce yourself and your research in 60 seconds or less
- » Create PowerPoint slides that explain, enhance, and engage
- » Create a 3-5-minute pitch for even the most complicated research topic
- » Understand how a prepared pitch can help with media interviews
