

Limited Submissions Announcement

A limited submission opportunity is available from the Department of Defense and has been posted to the [UTSA Limited Submission Opportunities webpage](#).

Research and Education Program for HBCU/MI - Equipment/Instrumentation Program Overview

The Department of Defense (DoD) is soliciting applications for the acquisition of equipment/instrumentation under the Fiscal Year 2019 Research and Education Program for HBCU/MI. The Research and Education Program is designed to enhance the research capabilities of HBCU and MI and strengthen their STEM education programs. The purpose of funding under this Funding Opportunity Announcement (FOA) is to

- (1) support the acquisition of equipment/instrumentation to augment existing capabilities or to develop new capabilities in research areas of interest to DoD, and
- (2) attract students to pursue studies leading to STEM careers.

Although funding provided under this FOA cannot be used for student support, in order to further DoD's objective of attracting students to pursue studies leading to STEM careers, applicants must address the impact of the requested equipment/instrumentation on student participation in research.

Eligibility

As provided in 10 U.S.C. § 2362, eligibility for this competition is open only to "covered educational institutions," which are defined as:

- A. institutions of higher education eligible for assistance under Title III or V of the Higher Education Act of 1965 (20 U.S.C. 1051 et seq.); or
- B. accredited post-secondary minority institutions.

Application Limit

No more than three (3) applications are allowed per institution. If more than three otherwise eligible applications are received from a given HBCU/MI, the institution will be required to withdraw all but three.

Award Amount

Individual awards will range from \$100,000 to \$600,000. All awards will have a performance period of 12 months.

Cost Share Requirement

Cost sharing or matching is not required under this FOA and is not an evaluation factor.
