

SUBMISSION NOTE

The following nomination materials should be uploaded to the Limited Submissions Application form – (1) Nominee's Curriculum Vitae (4-page maximum, PDF), and (2) Nominee's Research Summary (1,000-word maximum, PDF) as outlined below.

FORMATTING INSTRUCTIONS

- 12 pt., Times New Roman font (TNR)
- 1" margins all around

RESEARCH SUMMARY INSTRUCTIONS/OUTLINE

A 1,000-word maximum summary of up to five of the nominee's most significant scientific contributions and research accomplishments. Research Summary should include:

- Key results
- Impact on the nominee's field of study
- Nominee's specific role in the described work.

Note: Information about the nominee's positions, awards, and service activities should be excluded. One figure illustrating the most significant results is allowed. Citations and figure caption do not count toward the word limit.

EVALUATION

Nominees and their work as independent investigators will be evaluated according to the following criteria:

- Quality: The extent to which the work is reliable, valid, credible, and scientifically rigorous.
- Impact: The extent to which the work addresses an important problem and is influential in the nominee's field.
- Novelty: The extent to which the work challenges existing paradigms, employs new methodologies or concepts, and/or pursues an original question.
- Promise: Future prospects in the nominee's field and potential for further significant contributions to science.
