

Limited Submission Announcement

A limited submission opportunity is available from the Texas Workforce Commission and has been posted to the [UTSA Limited Submission Opportunities webpage](#).

[Camp Code for Girls Program Overview](#)

The Texas Workforce Commission (TWC) is seeking applications from Eligible Applicants to provide computer coding/programming summer camps for Texas middle school girls in grades six (6) through eight (8).

The purpose of the Camp Code for Girls program is to increase the interest of middle school girls in coding and programming by providing hands-on experiences in summer camps that include challenging and innovative concepts and experiences in learning, problem solving, and analytical skills, and simultaneously fostering an interest in Science, Technology, Engineering, and Math (STEM) related careers.

Eligibility

As an institution of higher education in Texas as defined by TEC § 61.003(8) UTSA is an eligible applicant.

Application Limit

An Eligible Applicant may submit only **one (1)** application.

Award Amount

Grants are limited to a maximum of one hundred thousand dollars (\$100,000) per grant awarded. The grant period is approximately nine (9) months from the project start date. The anticipated grant start date is March 2019.

Internal Evaluation Criteria

The attached review matrix will be utilized for internal review/scoring. Pre-proposals should be responsive to these criteria.
