

Limited Submissions Announcement

A limited submission opportunity is available from the Camille & Henry Dreyfus Foundation, Inc. and is available on the [UTSA Limited Submission Opportunities webpage](#).

Camille Dreyfus Teacher-Scholar Awards Program

The Camille Dreyfus Teacher-Scholar Awards Program supports the research and teaching careers of talented **young faculty in the chemical sciences**. Based on institutional nominations, the program provides discretionary funding to faculty at an early stage in their careers. Criteria for selection include an independent body of scholarship attained in the early years of their appointment, and a demonstrated commitment to education, signaling the promise of continuing outstanding contributions to both research and teaching.

The Foundation seeks Camille Dreyfus Teacher-Scholars who demonstrate leadership in research and education. Nominations must provide compelling evidence of the advance of important knowledge in the chemical sciences by the nominee.

Eligibility

Academic institutions in the States, Districts, and Territories of the United States of America that grant a bachelor's or higher degree in the chemical sciences, including biochemistry, materials chemistry, and chemical engineering.

Nominees must:

- Hold a full-time tenure-track academic appointment
- Have been appointed no earlier than mid-year 2014

Application Limit

Institutions may submit only **one (1)** nomination annually.

Award Amount

\$100,000 unrestricted research grant for a 5-year period. Of the total amount, \$7,500 is for departmental expenses associated with research and education. Indirect costs or institutional overhead are not allowed. Defrayal of academic-year salary is not permitted.

Internal Evaluation Criteria

The attached review matrix will be utilized for internal review/scoring. Pre-proposals should be responsive to these criteria.
