The National Institutes for Health (NIH) is partnering with The University of Texas at San Antonio and The University of Texas Health Science Center San Antonio to host a regional NIH multi-IC (NIAID/NCI/NIBIB/NIGMS) SBIR/STTR small business workshop in San Antonio, Texas.

- Prepare current and next-generation of biomedical entrepreneurs to compete in the SBIR/STTR programs administered by NIAID, NCI, NIBIB, and NIGMS
- Present the NIH SBIR/STTR programs as a unique career opportunity in biomedical entrepreneurship and commercialization
- Provide the knowledge and guidance needed to apply for SBIR/STTR grants
- Address NIH SBIR/STTR policies and regulations

*SBIR = Small Business Innovation Research
*STTR = Small Business Technology Transfer
