DATA SCIENCE AND AI FOR ALL

9:30 A.M. – 11:00 A.M. | WEDNESDAY, OCT. 19, 2022

STUDENT UNION NORTH WILLOW ROOM 2.0212

Please join UTSA faculty members Jianwei Niu, Ashwin Malshe and Rebecca Schroeder as they demonstrate AI lesson plans. As part of a UTSA partnership with Mitre Inc, professors Niu, Malshe and Schroeder have developed AI lessons that span across marketing, geological sciences, psychology, biology and computer science as part of UTSA's Generation AI Nexus program.

This workshop is designed for faculty from all disciplines to incorporate AI lessons into their courses that will help students develop interests in data science and artificial intelligence.

“Generation AI Nexus” or “Gen AI,” aims to assist faculty with introducing AI to all students, regardless of their major, understand AI and how to use it as an effective tool.
