Dr. Bindu R. Nair

*Director, Basic Research Office, Office of the
Assistant Secretary of Defense, Office of the
Under Secretary of Defense, Research & Engineering*

Thursday, December 7, 2023

8:00 AM – 9:00 AM

VIA ZOOM

*“Understanding the Office of the Under Secretary of Defense,
Research & Engineering”*

Dr. Bindu Nair, will provide a special presentation that will be of wide interest to UTSA faculty and staff. Dr. Nair will share valuable insight into the Department’s \$2.5 billion investment in basic science. This investment supports high risk and high pay-off basic research projects in fields including physical science, life science, environmental science, applied mathematics, and others that probe the limits of today’s technologies and discover new phenomena and know-how that may ultimately lead to future technologies for the Department.

This event is open to all.
