

GRANTSMANSHIP 101: KEYS TO WRITING EFFECTIVE PROPOSALS

12:00 pm - 2:00pm | Monday, November 6, 2023

VIA ZOOM

Presented by: **Lucy Deckard**, Academic Research Funding Strategies

Consultant Lucy Deckard established Academic Research Funding Strategies, LLC in 2010. She has helped to develop successful proposals to NSF, NIH, the Department of Education, the Department of Defense, and other agencies and foundations, including proposals for large institutional and center-level grants.

Webinar covering the key steps for planning a fundable research project and writing a competitive proposal, best practices, and common mistakes to avoid. The webinar will also cover how to interpret and respond to reviews.

Contact **Dr. Siobhan Fleming**, siobhan.fleming@utsa.edu, for more information.
