

COMPETING FOR FUNDING FROM THE NATIONAL INSTITUTES OF HEALTH

2:00 pm - 4:00pm | Tuesday, October 24, 2023

VIA ZOOM

Presented by: **Lucy Deckard**, Academic Research Funding Strategies

Consultant Lucy Deckard established Academic Research Funding Strategies, LLC in 2010. She has helped to develop successful proposals to NSF, NIH, the Department of Education, the Department of Defense, and other agencies and foundations, including proposals for large institutional and center-level grants.

Workshop on the National Science Foundation (NSF) covering the agency's mission, funding priorities, how NSF is organized, how proposals are reviewed, the types of projects funded by NSF, and a step-by-step discussion of how to write a proposal to NSF.
